Re: 2024 Annual Meeting & 2023 Consumer Confidence Report
Date: April 30, 2024

Dear RWA Members,

Each year, your RWA Board of Directors invites all RWA members to attend an annual meeting of the membership. These annual meetings recap the events of the previous year and offer updates to the membership on any plans for future system upgrades. These meetings also give the membership an opportunity to ask questions and to learn more about our unique RWA water system. Additionally, the meetings are held to complete RWA annual business and receive the results of voting for open board positions.

So, to that end, your Rhododendron Water Association Board of Directors invite you to attend the:

Rhododendron Water Association Annual Membership meeting

Saturday, May 18, 2024

10:00AM

Alpine Event Center

73365 E. Hwy 26

Rhododendron, OR. 97049

This year's meeting will be relatively quick. We have no guest speaker and the agenda will consist of conducting necessary RWA annual business and a discussion regarding this year's larger than normal rate increase. Also on the agenda, we will be electing 3 members to RWA Board.

The following three candidates were nominated by the RWA Board at the November 10, 2023 RWA Board meeting to serve a three-year term (2024-2027). **Bob Phillips**, whose term expires this year; **Molly Espenel**, who was ratified last year to finish Ralph Pitt's term and is now on the ballot to begin her own three-year term and **Gerald "Jerry" King**. Jerry was appointed to the board last September after the untimely passing of long time RWA Board member, John Young. John's position on the board was up for election this year, so Jerry has been nominated to serve a three-year term starting May 2024, if elected. There were no nominations from the general membership.

Enclosed with this mailing please find the 2024 RWA Ballot. The RWA Board asks that each member household complete the enclosed ballot and submit it at the Annual meeting or mail it **before May 10, 2024** to:
