Re: 2025 Annual Meeting & 2024 Consumer Confidence Report
Date: April 15, 2025

Dear RWA Members,

Each year, your RWA Board of Directors invites all RWA members to attend an annual meeting of the membership. These annual meetings recap the events of the previous year and offer updates to the membership on any plans for future system upgrades. These meetings also give the membership an opportunity to ask questions and to learn more about our unique RWA water system. Additionally, the meetings are held to comply with the By-Laws, complete RWA annual business, and determine the results of voting for any open board positions.

So, to that end, your Rhododendron Water Association Board of Directors invite you to attend the:
