

Rhododendron Water Association

Providing Tomorrow's Water Quality and Reliability... Today.

Bill Assistance Program Donation Request Form

With water all around us in this mountain environment, it is easy to take it for granted. But many people struggle with the day-to-day needs of being able to pay for this basic necessity.

For this reason, the Rhododendron Water Association Board of Directors has created a Bill Assistance Program to provide financial assistance to qualified customers who need help paying their water bill. The program is voluntary and supported by generous contributions from the community and you.

If you or someone you know needs help paying the water utility bill, contact Rhododendron Water Association at: P. O. BOX 163 Rhododendron, OR 97049 or Phone: 503-622-5000. You can also visit our website at www.rhodywater.com and find an application form to apply for assistance.

All inquiries will be treated with confidentiality.

For members wishing to make a non-tax deductible contribution, you can use the form below to send donations to RWA.
